Corporation Tax Return	£525	£525	£575	£625
OSCR Return	Free	Free	Free	Free

All prices are net of VAT.

**Note 1** – there are so many factors that determine an audit fee it is difficult to be precise. Minimum fee for a full statutory charity audit would be £3,750.

**Note 2** – Ad hoc queries on Xero are free. Training and set-up will be provided at the agreed rate of £500 per day.

**Note 3** – payroll fees are dependent on the size of payroll (number of employees). Smaller payrolls cost more per employee than larger payrolls. As a rule of thumb, 10 employees would be £95 per month, 20 would be £120 per month, 30 £140 per month.

**Note 4** – employment status support would be dependent on complexity and would be dependent on level of support (site visit etc). A specific fee can be agreed on request.
