The image displays two screenshots of the British Gymnastics membership confirmation process. The left screenshot, titled "Confirm membership", shows a progress bar with four steps. Below the progress bar, it states: "Based on what you have told us, we have selected the membership type we think you need. If you think we have this wrong, please click 'Edit' to explore the options." Under "Last Added:", there is a card for "SadF SadF - Midlothian GC" with the role "Gymnast" and buttons for "Remove" and "Edit". Below this card are buttons for "Add child" and "Continue". At the bottom left, there is a "< Back" link and a "Privacy policy" link. The right screenshot, titled "Membership types", provides instructions: "You only require one membership so if you carry out multiple roles i.e. you may be a Coach and a Judge, or a gymnast and a Club Manager, you need to select the level of membership that enables you to carry out all of these roles. For example, if you are a gymnast and also a Level 1 Coach, you will need to select the Assistant Coach membership type; or if you are an Assistant Coach and also a Brevet Judge, you will need to select the Brevet Judge membership type. If you are unsure which to select, please contact Customer Service on 0345 129 7129 for advice." It then shows "Currently changing the membership for: SadF SadF". There are three sections: "Gymnast" with a table of options, "Coach" with a table of options, and "Club roles" with a table of options. Each table has a "Type" column and a "Select" column with a radio button. The "Gymnast" table lists "Competitive Gymnast" and "Gymnast". The "Coach" table lists "Assistant Coach". The "Club roles" table lists "Club Officer" and "Club Administrator". At the bottom of the right screenshot, there is a "Continue" button and a "< Back" link.

If you are the parent or guardian of a gymnast you can add them to your profile. You can add more than one gymnast to your profile. To do this click on add child.

Once you have added all your gymnasts select continue.
