NEXT STEPS:

- 1) You will receive an email from Joy Fern noting your selection to the British Team. Please respond to Joy Fern at British Gymnastics to confirm or decline your place on the team. If a response is not received within 24 hours from the time stamp on the email it will be assumed that the place is declined.
- 2) Further information, including costs will be forthcoming in the official Delegation Letter to all selected gymnasts and staff. The Performance Department are currently awaiting the imminent release of the ECH Competition Directives, and some of the critical details therein, before this letter can be sent.

FURTHER NOTES:

- ❖ All selected and conditionally selected gymnasts are part of 'the team'. Conditionally selected gymnasts will be contacted separately about their conditions. Also note the GB team no longer selects 'reserves' and no gymnasts were selected on this basis. The unit leaders will select the most appropriate gymnasts from the team to compete at qualifications and finals. All gymnasts from a team are eligible for medals regardless if they compete on the day or not.
- ❖ Non-travelling gymnasts will be required to attend the first 3 training sessions (date and time TBC) in case of injury or availability issues within the Team. Should the need arise, they will be officially selected to join the delegation, (providing they have maintained their fitness and technical standards).
- ❖ As a member of the national team all gymnasts are required to meet physical standards and performance targets to maintain their position on the GB team.
