Scottish Gymnastics is committed to ensuring everyone feels safe and supported through positive practice and safeguarding policies and procedures.

We ask that you take time to think about the photos you take of gymnasts and whether they are appropriate to publish and share. This means all photos and videos taken by photographers, coaches, participants, and spectators using professional cameras or personal devices including mobile phones.

You can ask a member of our team if you are unsure about appropriate images and read more about wellbeing and safe sport on our website.

Anyone with professional or dedicated camera or video equipment must be accredited.

Welcome

A warm welcome to the 2024 Caledonia International this weekend at Ravenscraig Regional Sports Facility.

This weekend's event will see gymnasts from England, Ireland, Northern Ireland, Scotland and Wales compete in acrobatic, men's and women's artistic disciplines. We are excited to see the home nations and Ireland come together under the same roof in competition for the first time since 2019. Whether you have travelled from just around the corner or across the pond, we hope it was a safe journey and you are ready to cheer on your team!

For many gymnasts, this will be their first international event representing their country, an opportunity to gain valuable experience at this current stage in their journey. We wish you all the best for the competition ahead.

Make sure to visit Howard and his team at PSB to take home the memories captured by them for yourselves.

I extend my sincere thanks to the technical committees, judges and volunteers, and the Scottish Gymnastics team whose time and expertise to make our competitions possible.

We are also grateful for the continued support of our partners and sponsors. Finally, our thanks to clubs and coaches, gymnasts and families for your ongoing dedication and commitment to sport in Scotland and beyond. I hope you enjoy the Caledonia International and look forward to speaking with many of you this weekend.

CLEAN SPORT

Scottish Gymnastics believes in clean gymnastics and works with UK Anti-doping (UKAD), adopting its anti-doping policy and rules.

All athletes have the right to compete in sport knowing that they, and their competitors, are clean. Whether by accident or on purpose, doping is against the rules of the sport.

The use of performance-enhancing drugs, other banned substances and doping behaviour severely damages the legitimacy of sport and undermines the integrity of clean athletes.

If you are a member of Scottish Gymnastics, these clean sport rules apply to you, regardless of the level at which you participate.

Please read all the information on our website to ensure you are working with the laws for gymnastics.
