PHOTOGRAPHY

Scottish Gymnastics is committed to ensuring everyone feels safe and supported through positive practice and safeguarding policies and procedures.

We ask that you take time to think about the photos you take of gymnasts and whether they are appropriate to publish and share. This means all photos and videos taken by photographers, coaches, participants, and spectators using professional cameras or personal devices including mobile phones.

You can ask a member of our team if you are unsure about appropriate images and read more about well-being and safe sport on our website.

Anyone with professional or dedicated camera or video equipment must be accredited.

Please register at the ticket desk before entering the hall.

CLEAN SPORT

Scottish Gymnastics believes in clean gymnastics and works with UK Anti-doping (UKAD), adopting its anti-doping policy and rules.

All athletes have the right to compete in sport knowing that they, and their competitors, are clean. Whether by accident or on purpose, doping is against the rules of the sport.

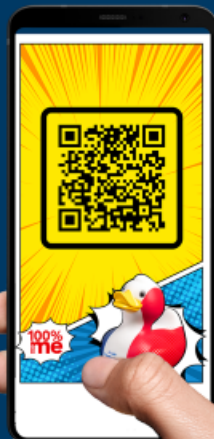

The use of performance-enhancing drugs, other banned substances and doping behaviour severely damages the legitimacy of sport and undermines the integrity of clean athletes.

If you are a member of Scottish Gymnastics, these clean sport rules apply to you, regardless of the level at which you participate.

Please read all the information on our website to ensure you are working with the laws for gymnastics.
