CLEAN SPORT

Scottish Gymnastics believes in clean gymnastics and works with UK Anti-doping (UKAD), adopting its anti-doping policy and rules.

All athletes have the right to compete in sport knowing that they, and their competitors, are clean. Whether by accident or on purpose, doping is against the rules of the sport.

The use of performance-enhancing drugs, other banned substances and doping behaviour severely damages the legitimacy of sport and undermines the integrity of clean athletes.

If you are a member of Scottish Gymnastics, these clean sport rules apply to you, regardless of the level at which you participate.

Please read all the information on our website to ensure you are working with the laws for gymnastics.
