RECRUITMENT PACK

ABOUT SCOTTISH GYMNASTICS

Scottish Gymnastics has been leading and supporting the sport since 1890. Today, we champion gymnastics both as a foundation sport - one that builds essential physical skills such as balance, coordination, strength, and agility - and as a competitive and performance pathway, enabling athletes to progress to national and international opportunities, representing both Scotland and Great Britain.

We are recognised by **sportscotland**, and are an affiliated association of British Gymnastics, which represents the home nations at international events including the Olympic Games, World Gymnastics and European Gymnastics.

Through a strong working partnership with British Gymnastics, we share a commitment to developing the sport and providing outstanding support for the 140 clubs and more than 35,000 individual members who make up the vibrant Scottish gymnastics' community.

Our vision is “**An uplifting gymnastics experience for all**”

- ‘UPLIFTING’ represents both the physical and mental health benefits of gymnastics and the enjoyment it brings
- ‘EXPERIENCE’ is about making positive experiences for everyone central to everything we all do, including the way we involve and treat people and how we deliver gymnastics
- ‘FOR ALL’ means for everyone in gymnastics no matter how you are involved, and ensuring gymnastics is welcoming for people who haven’t been involved in the past.
